COLLEGE OF EDUCATION**

Organizes

Two Day University Level Seminar

On

“MIND, BRAIN AND TEACHING: TEACHING WITH BRAIN IN MIND”

Monday - Tuesday, September 24-25, 2012.

Discover the brain's best-kept learning secrets in two-day seminar cum workshop and get enough practical strategies for years!

We, NSS College of Education is conducting two-day seminar cum workshop on “MIND, BRAIN, AND TEACHING: TEACHING WITH BRAIN IN MIND”. This experiential seminar cum workshop explores both how the brain learns and the specific practical applications of that knowledge. This seminar will deal with the latest research in educational neuroscience and links it with specific, practical classroom ready applications that boost student learning. To succeed everyday with students one should know the inside principles of how our brain really works.

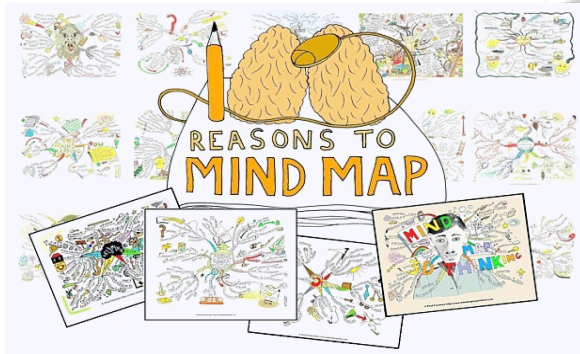

Related Topics:

- Brain and behavior.
- Brain compatibility: Implications in the Classroom
- The nurture aspects of Brain.
- Brain research – Emotions and the mind.
- Strategies to enhance memory.
- Engaging students with brain based learning.
- Brain Research and Learner Centered Teaching

Please send 4 students from your esteemed institution to participate in this seminar cum workshop. Participation fee is Rs 300/- per student.

Please motivate your students to present paper on main theme or any of the related topics. Time allotted 5 minutes per paper. Paper should reach us on or before 20th Sept. 2012.
