## About the College

NSS College of Commerce and Economics, Tardeo, Mumbai was established in the year 1988 by our visionary founders late. Shri. Rajabhau Mirashi and his wife late Smt. Shantabai Mirashi. The College is permanently affiliated to University of Mumbai since the year 2001-2002 and assessed and re-accredited by National Accreditation and Assessment Council (NAAC) with 'B' grade in 2010-11. It is a grant-in-aid institution recognized by the UGC under 2(f) and 12(b) of the UGC Act 1956. The college is located at prime location in Tardeo near to Mumbai Central Railway station and Maharashtra State Transport Bus Depot and is situated behind the famous Tardeo Air-conditioned market which is linked by many bus routes to different parts of Mumbai city. The college is committed to 'Education to all' and is one of the pioneering institutions in South Mumbai to offer education (Under Graduate (B.Com) and Post Graduate degree in Commerce (M.Com)) to the under privileged sections of society. The college aims mainly at academic excellence, inculcation of moral and sensible ethical values, moulding the characters with strict disciplinary approach, so as to make them responsible citizens and to contribute for national development.

## About the IQAC

The Internal Quality Assurance Cell (IQAC) plays an active role in the improvement in academic and administrative performance of the institution keeping the student-centric approach. The Cell has the responsibility of ensuring the quality sustenance and taking quality enhancement initiatives in the College. During the past several years, IQAC, under the guidance of management and principal, has made conscious and sincere efforts to attain the core values formulated by NAAC and also to promote research culture among students and teachers.

## About the Seminar

The objective of the seminar is to bring together leading academicians, researchers and research scholars to exchange and share their experiences and research results about all aspects of Research in Commerce, Science and Technology, Humanities and Social Sciences. It provides the premier interdisciplinary forum for researchers, practitioners and educators to explore

present and discuss the most recent innovations, emerging trends, issues, practical challenges encountered and the solutions adopted in the field of research in all disciplines related to the theme. This Seminar will also provide an opportunity to students to interact with experts and eminent researchers to enter mainstream research field which contributes for quality in research and hence the national development.

The Topics of interest for submission include, but are not limited to

- Commerce
- Accounting and Auditing
- Management
- Economics
- Mathematics and Applications
- Financial Mathematics
- Statistics and Applications
- Library and Information Science
- Environmental Science
- Computer Science and Information Technology
- Law
- Communication
- English Literature
