## Feedback on Sports Committee –

The Sports Committee is here to represent the views of the student on all sports related activity. As per students opinion sport activity help them to achieve a health-enhancing life of physical activity as well help to develop superior individual / team skills.

Students are grateful as NSS encourage them to actively participate in annual region/state level inter colligate sports competitions. Due to this encouragement students are able to win Cash Prize / Medals / Trophy / Certificates in Box cricket Tournament / Carrom Tournament (Double / Single) / Chess Tournament / Table Tennis Tournament etc. This year one of our students **Ms.Sakshi Sakpal** has participated at **Mumbai district level carrom tournament.**

**Mr. Ganesh Pedamkar also won overall trophy in inter collegiate Best Physique and also represented university on Mumbai in Inter University championship held at Chandigarh, Punjab.**

Students are also feel that Annual Meet helps to develop vital link between students and teachers as students / teachers / staff actively participate in Annual Meet.

This year NSS has took new initiative by organizing “**Inter Collegiate Carrom Tournament (Men’s) 2017-18**” in the month of February, 2018. Student work to get the other college student get participates in this tournament which helps them to develop marketing skill in them.
